

11th Computer Science and Electronic Engineering Conference

Call for Papers

Researchers are invited to submit a paper contribution according to the following categories:

- Long Paper (**5-6 pages**) detailing their research,
- Short Paper (**max 4 pages**) describing their work-in-progress.

All submitted papers will be subject to peer reviewing by at least two reviewers for technical merit, significance and relevance to the topics. Submission implies the willingness of at least one author per paper to register, attend the conference and present the paper.

Authors of selected articles will be invited to submit an extended version to a [Special Issue of the Computers Journal](#). Which, will be index by **Scopus®**.

Topics of Interest

CEEC welcomes submissions on (but is not limited to) the following topics:

Artificial Intelligence

- Brain-Computer Interfaces
- Computational Intelligence
- Computer Games
- Computer Vision
- Machine Learning

Data Analysis

- Big Data
- Computational Finance and Economics
- Image Processing
- Natural Computation
- Natural Language Processing
- Information Retrieval

Automation

- Control Systems
- Human-Machine Interaction
- Mechatronics
- Model-Driven Engineering
- Robotics

Electronics

- Embedded Systems and Pervasive Computing
- Nano Electronics
- Renewable Energy

Software Engineering

- Requirements Engineering
- Design Engineering
- Software Defined Networks (SDN)
- Human-Software Interaction

Smart Technologies

- Cloud Computing
- Service-oriented Systems
- e-Systems
- Multimedia
- Smart Housing
- Virtual/Mixed Reality

Telecommunication Technologies

- Computer Networks
- Network Security
- Optical Electronic Devices
- Photonics
- Radio Frequency and Microwave Technology
- Wireless Networks

Important Dates

Paper submission	3rd June 2019
Notification of acceptance	3rd July 2019
Camera-ready manuscript	20th July 2019
Registration deadline	7th August 2019
Conference dates	18th – 20st September 2019
